

# Stanley Manne Children's Research Institute™

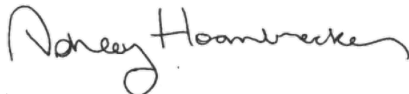

DATE: 12 May 2022  
TO: Industry Sponsors  
FROM: Ashley Hoambrecker  
RE: Documentation of Industry Research Rates

This memorandum serves to document Stanley Manne Children's Research Institute at Ann & Robert H. Lurie Children's Hospital of Chicago's industry research pricing. Each fiscal year (September-August), our institution reviews and adjusts our research fee schedule and sets and signs the hospital research patient care rate agreements with the Department of Health and Human Services. The research rates are obtained by set methodology aligned with benchmarking performed with peer institutions and align with the cost of business.

These rates apply to all IRB approved, industry sponsored clinical research studies that have been reviewed by the Office of Clinical and Community Trials and are using the Epic Research features to ensure compliant clinical research billing. Please contact the Office of Clinical and Community Trials at [OCCT@luriechildrens.org](mailto:OCCT@luriechildrens.org) with any questions.

We value to opportunity to partner with you in advancing pediatric clinical research and look forward to our collaboration.

Sincerely,

**Ashley Hoambrecker**  
Director of Operations  
Office of Clinical and Community Trials
